TWENTY-FIRST ANNUAL REPORT

—OF THE—

Presbyterian Board of Missions for Freedmen,

—TO THE—

GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH.

From March 31st, 1885, to April 1st, 1886.

THE PRESBYTERIAN BOARD OF MISSIONS FOR FREEDMEN respectfully presents to the GENERAL ASSEMBLY its TWENTY-FIRST ANNUAL REPORT, and in doing so, would record the goodness of God in enabling the Board to carry on the work successfully another year.

THE FUNDS.

The first part of our financial year was a time of much discouragement. We had begun the previous year with a balance of $3,703.75, and it closed with a debt of $1,660.08. So that at the very start we were $5,363.83 worse off than in April, 1884. But the heavy debts resting upon the Boards of Home and Foreign Missions were still greater obstacles, as the special efforts put forth in their behalf enlisted the sympathy and liberality of the Church and benevolent people to such an extent as to delay contributions to the department committed to this Board, and in some instances to altogether prevent their being made. It was supposed by the General Assembly that the debts of the two Boards would be liquidated by October, but at that time the work had only fairly begun, and farther on when the Secretary had made arrangements for bringing two of our Missionaries from the South, and for holding conventions in behalf of the interests of the Freedmen in a number of places, the protracted illness of his wife, and her death, put a stop to this movement. But we are glad to be able to say that notwithstanding the

heavy falling off in our receipts during the former part of the year, as its close drew near, Churches, Sabbath Schools, Women's Societies and individuals came to our help in such force that we actually received more money, from all sources, than during the previous year. Our receipts have been $113,918.52. Last year our resources were $116,219.93; but it is to be kept in mind that $3,703.75 were in our hands from the year before. Deducting this sum from $116,219.93—the sum of our resources for the year ending April, 1885, we have $112,516.18 as the actual receipts for that year; while for this year, ending April, 1886, our actual receipts were $113,918.52, showing a gain of $1,402.34 for the year just ended. Among the receipts of the year is a certificate of stock in the Cooper Fire Insurance Company, of Dayton, Ohio, to the amount of $2,000, which, along with the certificate of stock in the same company for $3,000, given the year before, has been placed with the permanent funds of the Board. The entire expenditures of the Board have been $118,459.25, leaving a debt, we are sorry to say, of $6,200.81. But in view of all the circumstances and the enlargement of the work during the last twelve months, and the great depression in business, we have great reasons for gratitude to God that the indebtedness of the Board is not much greater. The colored churches last year contributed to their own support $17,-254.20; this year, $17,291.33; a slight gain over the previous year.

It will be noticed from the Treasurer's report that we have received from Women's Societies $7,966.83.

The amount received from State School Funds is not included in the Treasurer's report, as it did not pass through his hands; but it is mentioned here that the Church may see the precise sums expended by means of the Board in behalf of the Freedmen.

The moneys credited to Freedmen's churches include only the amounts reported to the Board as given in support of our missionaries among them, and for the various other objects which pertain to church work in this field. The Freedmen have done much in the erection and repair of churches and school houses, of the money value of which no estimate has been formed. We may also say that the churches composed of the Freedmen are encouraged to contribute to all the Boards of our Church; and we believe that not a few of them have done so, although the sum in each case may have been small.

There have been placed in the hands of the Board, in the past few years, for permanent investment, as follows, viz.:

MISSIONARIES.

These are preachers, catechists, and teachers; and in the work under care of the Board the present year—including assistants in schools—the number is as follows:

Ordained ministers, of whom 93 are colored,			106	108	
Licentiates,	1 is	"	2

*Teachers, males, of whom	47 are	"	50	145	
" females, of whom	53 are	"	95

Most of these ministers have large fields to care for, including, in some cases, four, six and seven churches. The catechists are very useful assistant missionaries, and have done a large amount of valuable church and Sabbath school work. The teachers are commissioned, not as mere educators, but as Christian missionaries.

As a rule, the Board employs as teachers only members of the Presbyterian Church; and, in general, they seem to realize that their mission is not educational merely, but *religious* as well, making prayer, praise, Scripture lessons, and catechetical instruction constant accompaniments to the daily routine of school exercises.

In this *missionary* spirit of our teachers, as we think, lies one grand power of our work. With daily access to the minds and hearts of thousands, at a period when the memory is most retentive, and the heart most susceptible, their opportunities for doing good can not well be overestimated; and hence, means sufficient to supply

every church under care of the Board is greatly to be desired. Indeed, our ministerial missionaries feel that parochial schools are essential to the best success in their labors.

Our schools continue to be strictly parochial; and statistical reports from the field show that, besides the large amount of "good seed" sown in the hearts of the young by our missionary teachers, their work still tells encouragingly in the way of TRAINING INSTRUCTORS FOR THEIR OWN RACE.

THE WORK.

The work among the Freedmen which has been committed to this Board is one of the most important and far-reaching ever undertaken by the Church. Whether we look at it as an evangelistic work to elevate a race that has been in bondage for 250 years, to the dignity and purity of Freemen in Christ; or as a missionary work with the hope and the prayer that God will, in due time, lead them back to their benighted brethren in Africa; or as a patriotic work with faith in God that he will incorporate them with our people, and make them partakers with our children in the heritage of our fathers, that with us they may work out their part in the problem of time; however we look at it, it must be with

the conviction forced upon us that it is a work of solemn and momentous bearing on our country and on the world, which the Church of God cannot afford to neglect. It is a solemn thing to stand face to face with seven millions of people, three-fourths of whom can neither read nor write, and who stand before us pleading with outstretched hands for schools and churches—face to face with the thousands of God's poor and afflicted children, whom we have deeply wronged, and who are now perishing for lack of the knowledge and saving power of the Gospel of Christ. To stand face to face with these pleading and perishing millions, with an insufficient treasury, and not half of our churches contributing to its funds, while their cries for help are daily growing more numerous and urgent, has been a most trying position for the Board, feeling, as we do, that fidelity in our lot; fidelity to our country, to our Church, and to our God, forbids that we should hesitate or falter until we have given those needy and wronged people every gospel privilege and institution.

Owing to the want of funds the Board has been compelled to decline to occupy many needy and promising fields which have been opened to us, but by a careful and judicious expenditure, as we trust, of the means at our command, we have been enabled to keep in the field 267 missionaries, supply 202 churches, besides a number of preaching stations, with the regular ministrations of the Word, and at the same time carry on with gratifying success 205 Sabbath and 89 day schools. Under these influences the churches and schools in the older fields have steadily grown in spiritual power and influence. Four churches during the year have become self-sustaining.

Besides strengthening and enlarging the work in the old fields, the Board has, during the past year, entered territory heretofore unoccupied by our Church. In the Choctaw Nation, Indian Territory, we have opened three new missions, and one among the Seminoles, each supplied with a competent lady teacher. These ladies are doing a most important work in the school and among the families of the Freedmen. The Choctaw Nation is a most promising field, and should be fully occupied at once. The Freedmen have lately been registered and adopted as citizens of the nation, and are now entitled to a portion of the public money appropriated for educational purposes. The schools opened at once among these people will get the aid of this fund, and hence the importance of

the Board moving promptly and energetically in this matter. Delay may entirely shut us off from it. The Freedmen are settled mostly about the old mission stations in the southeast corner of the Choctaw country. In slave times many of them were hired by their owners to work for the missionaries, who treated them well, which led them to feel that the missionaries were their best and only friends in those dark days. Many of them were received into the mission churches, and some were taught to read the Bible and hymn book. Hence the genesis of Presbyterian tendencies found among the Choctaw Freedmen. They are inclined to Presbyterianism, and the way is open for our church to enter in and take the whole region and establish a strong, healthy Christianity after the Presbyterian pattern.

By the special aid of our committee of ladies and the Presbyterial Societies under the Women's Executive Committee, the Board has been enabled to open work in Crockett, Houston Co., Texas, in the form of a boarding school for colored girls. This is our first work in this great and growing State, where there are 196,380 Freedwomen, of whom 140,285 cannot read or write. The grand work which Scotia Seminary, at Concord, North Carolina, has done and is doing for the Carolinas, we expect and believe this school will do for Texas, Arkansas, Louisiana, and the Indian Territory. The Rev. John B. Smith and his wife as principals, and Miss Margaret Bolles as principal teacher, have been commissioned for this work, their salaries having been pledged by some of the Presbyterial Societies. The school opened on January 15th last, in a house rented temporarily for that purpose, and which was furnished complete by the Christian women of our Church. Already this house has proved too small to accommodate the school, and we must have a building at once. The citizens of the town have not only expressed a deep sympathy in the enterprise, but have generously donated to the Board twelve acres of ground for a building site. With a suitable building to accommodate them, we have every reason to believe that 200 girls can be gathered into the institution within the next two years. In this school, in addition to the ordinary academical studies, the girls will be taught practical sewing, dressmaking, millinery, knitting, together with cooking, washing and chamber work. As this institution was the conception of the wife of the Secretary, whose influence and appeals obtained the pledges for the salaries of the teachers, and the fur-

nishing of the house, and who, in God's mysterious providence, was called away from her earthly work since the opening of the school, the Board has been pleased to call it "The Mary Allen Seminary," in memory of her whose heart went out so earnestly to her lowly sisters. The interests of this Seminary, so important in its ends and aims, and so promising for good results in the future, we would commend to the sympathy, prayers and generosity of the women of the Church.

At Gainesville, Florida, located in what is known as the cotton belt of that State, a new mission was started last Autumn, under the care of two missionary ladies. A school was opened which soon grew to such proportions as to demand a third teacher. Before the year had closed this school resulted, as is most always the case, in the organization of a Presbyterian church, which promises soon to become self-sustaining.

A new field has also been opened at Petersburg, Va., a church organized, and a minister sent them who is laboring there under very promising and encouraging circumstances. Another has been organized at Bluffton, S. C., a very destitute but promising field.

Ten other new churches have been organized during the year.

THE FIELD SECRETARY.

For some years the Board has felt the importance of having a representative on the field to look after its interests, to superintend its work, and to counsel with, encourage and aid the missionaries in their arduous labors. It was felt that such an officer could materially aid the Board in prosecuting its work, which, from the peculiar circumstances surrounding it, makes it a work of a difficult and delicate nature. In locating new missions, in opening new schools, in the erection of buildings; by personal contact with the people and the missionaries, by preaching with and for them, he could render invaluable service to the Board, and at the same time encourage and strengthen the work on the field. To fill such an office, the man undertaking it must be in sympathy with the work; must know something of the colored people, and have a fellow feeling for them in their lowly condition. The Board, after serious and thoughtful consideration of the matter, elected Rev. Henry N. Payne, of Iowa, to this important position, who entered on the duties of his office in September last. The Synod of Atlantic, at its meeting at Macon,

Ga., in November last, gave Mr. Payne a very cordial welcome, both personally and by resolution, and the brethren whose fields he has visited express great gratification and profit from his intercourse with them. The following report will be read with interest:

REPORT OF THE FIELD SECRETARY.

The present report covers only six months of field work, but as this time has been almost entirely passed among the churches, schools and presbyteries connected with the Freedmen's Board, the conclusions reached from this brief experience may not be without value.

Four things are evident from even the partial survey that has been made:

1. The generally high character and good ability of the missionaries and teachers of the Board.
2. The real and permanent value of the work done.
3. The urgent need that that work be strengthened and enlarged; and
4. That a misdirection of energy and waste of power can only be prevented by a close, constant and authoritative supervision of the work.

Few realize the entire self-abnegation of those who, in the early years after the war, devoted themselves to the elevation and salvation of the Freedmen. Neglected, shunned, despised by the whites among whom they lived, and whose aid they would have welcomed, they were upheld by their sympathy for a lowly but pleading humanity, and by the love of the all-pitiful Christ. Some of these early laborers are still in the field. They have lived to see the boys and girls whom they taught to read, and whom they led to Christ, taking honored positions as ministers and teachers among their own people.

The ability, devotion and success of many of these prove that the great future work of our Church in an educational line will be the proper training of those who shall be the teachers and leaders of this race. This preparation must be begun in parochial schools, which are powerful allies of the Church, but it must not end there. It must be extended and emphasized in well equipped schools of higher learning, under the care of thoroughly qualified and experienced teachers.

The young men and women thus trained will find abundant and congenial employment through that strengthening and enlargement of this work, which is the imperative duty of the Presbyterian Church.

The difficulties, perplexities and embarrassments attending this service can be fully realized only by one personally engaged in it. Wisdom, firmness, patience, tact and courage are needed, with much of the grace of God.

Some have doubted whether the Presbyterian Church has a call to labor among so emotional and demonstrative a class as are the colored people. Could such know the high esteem in which our churches and ministers are generally held in the communities in which they are located, they would have no further doubts on that point. We have great reason for thankfulness for the reputation of our Church through the South for purity, probity and intelligence.

The attitude of the Southern whites toward our work is undergoing a marked change. They are manifesting much more sympathy with it than formerly, and nearly all who now come into it are treated with kindness and courtesy. This better feeling has had a practical expression several times within the past year in material aid being given by Southerners in building churches and schools for the colored people. In order to give the work breadth, power and permanence, and our Church an honorable position in the South, two things, in my judgment, are needful.

1. We should more strongly emphasize the work in the large cities—in the important centers of population and influence.

2. We should strongly occupy strategic points where we now have no work. From these, as centers, it will be comparatively easy to reach out to the surrounding regions. Such available points are lessening in number and in importance year by year, for they are being rapidly occupied by other churches; but if the Presbyterian Church will arouse to the magnitude and pressing importance of the duty that is upon her; if she will only realize the greatness of her present opportunity, she may yet accomplish a work among the colored people of the South that will be her joy and pride in all coming time.

HENRY N. PAYNE,
Field Secretary.

THE WORK OF THE WOMEN.

The success of the "Freedmen's Department," organized in connection with the Women's Executive Committee, as recommended by the Assembly two years ago, has been especially gratifying. A deep and growing interest for the Freedwomen has been awakened in the minds of the women of the Church who heretofore had felt no special concern for them. This was principally brought about by Mrs. Mary E. Allen, the wife of the Secretary, in connection with the efficient and earnest efforts of our Committee of Ladies at Pittsburgh. By correspondence and personal visitation, nearly every Presbyterial Home Missionary Society has been brought into sympathy with our work. The organization of this department of women's work, though only eighteen months old, promises to be of immense value to our cause. And we are sure that there is no class of persons in this broad land, where womanly sympathy and influence is so much needed, and where they will exert such a power for good, or be more deeply felt and appreciated, as among the three million Freedwomen and girls in the South. The colored people cannot be elevated, or in any high sense Christianized, until the Church is planted in the household, and mothers are prepared to teach their children the law of God. The visitations of our missions by the Secretary and his wife during the last two years, forced upon their minds the conviction expressed by the first Secretary of this Board, and which we cordially endorsed, "that no laborers in the field are producing such marked and permanent results in the life and character of the people as the pious, self-sacrificing female teachers. Their influence is felt in every household within reach, softening the asperities of rough natures, elevating grovelling souls, patiently leading blunted intellects and benumbed hearts, in the search for true wisdom and awakening, even in the outcasts, the longings for a better life."

The following report of this department will be read with interest:

REPORT OF THE LADIES' COMMITTEE.

SECOND ANNUAL REPORT OF THE FREEDMEN'S DEPARTMENT OF THE WOMEN'S EXECUTIVE COMMITTEE OF HOME MISSIONS.

In making the Second Annual Report of the Freedmen's Department of the Women's Executive Committee of Home Missions we would gladly acknowledge the continued favor of Him in whose hands are the hearts of men, as shown by the increased contributions and increasing interest in our work.

Notwithstanding the pressure of the times there has been a forward movement. In September, a school was established at Gainesville, Florida, two ladies in charge, which has increased with such rapidity that the number of pupils is literally limited by the capacity of the house. The labors of these ladies have been so greatly blessed that a church was organized in connection with their work in February. This infant church is making strenuous efforts to build a house this Summer, which will answer for both church and school purposes. In this they are generously aided by a family in New Jersey, who are already rich in good works.

Three ladies have been commissioned and sent to the Freedmen of the Choctaw Nation in Indian Territory. One is stationed at Lukfatah, one at Wheelock, and one has charge of the Oak Hill School, nine miles from Wheelock.

One lady has been commissioned to the Freedmen of the Seminole Nation, and is stationed at Wewoka.

The establishment of the Seminary at Crockett, Texas, which was so wisely planned and efficiently carried out by Mrs. Allen, has occupied much of our time and thoughts. It seems a just recognition of our late General Secretary that led the Board of Missions for Freedmen to call it the "Mary Allen Seminary." Rev. J. B. Smith and wife, and Miss Bolles arrived in Crockett January 1st, 1886, and two weeks afterward opened school. From a very small beginning the number has constantly increased, until the hired house is found to be too strait for them, and the necessity is upon us to build one suited to the wants of the school, upon the beautiful site given for this purpose, by some of the citizens of Crockett. Mr. Smith writes that we ought to have a building capable of accommodating 100 pupils, ready for occupancy by October next.

The Missions established last year at Pointe Coupée, La., at Hendersonville, N. C., and at Maryville, E. Tenn., are all doing well under the charge of the ladies then sent out. The one occupied by two of our ladies in Amelia County, Va., is now held by a graduate of Lincoln University.

Pittsburgh Mission on Coal Creek, Creek Nation, Indian Territory, which is nearly three years old, is showing the result of the labor expended there.

Of the Older Schools. We are supporting one teacher entirely, and another partially, in the Goodwill School, near Mayesville, South Carolina.

The school on Edisto Island is still taught by Mrs. Moultrie, who is laboring faithfully for the elevation of her race.

Fairfield Institute, Winnsboro, S. C., is still doing its peculiar work—that of training Christian workers for Africa. We support one teacher in this school.

Besides the day scholars, many of these teachers have night pupils, and also sewing classes, that are attended by all who wish instruction.

During the year we have, also, largely through the generosity of one lady, been able to purchase a house in Amelia C. H., Va., for a Boarding Department, in connection with the Russell Grove School. It is already filled to overflowing. This school, under the efficient management of the principal, aided by two assistants, is doing a work second to none.

Besides this, Societies and Bands hold scholarships in Fairfield Institute, Winnsboro, S. C.; Russell Grove, Amelia C. H., Va.; Mary Allen Seminary, Crockett, Texas; Scotia Seminary, Concord, N. C.; Brainard Institute, Chester, S. C.; and the "Children's Home," Baxter Springs, Kansas.

There has been an unusual amount of religious interest in several of our schools during the year. This is especially true of Scotia, in which, though not so closely connected with us as some others, we feel a deep interest.

One of the teachers wrote: "The entire Senior and Higher Course Classes have connected themselves with the Church—hopefully converted. Twenty-four seniors and ten in the higher class—a body of thirty-four educated girls, solid for Jesus. Only three juniors and four of the middle class among the boarders unconverted. In the Preparatory School the results are no less wonderful. The

interest (visibly) had centered there for two weeks. My entire Bible Class is from that department, and has been blessed in the conversion of every member. Did you ever know of an entire school being so moved?"

WORK AMONG THE CHURCHES.

One of the objects of this Department is to awaken the interest of the women of the Church, and to diffuse a knowledge of our work among them in order to secure their intelligent coöperation in our plans. To secure this many thousand leaflets have been sent out, and many visits made to Synodical, Presbyterial and Auxiliary Societies. During the year Mrs. Allen visited and addressed the Presbyterial Societies of Dayton, Columbus, and Cleveland, Ohio; Butler, Erie, Huntingdon, and Carlisle, Pa., and the Synodical Societies of New York and Indiana, and also a Ladies' Meeting at St. Louis. Mrs. Dr. Kumler addressed the Presbyterial Societies of Blairsville and Steubenville, and Mrs. Coulter that of St. Clairsville. Mrs. Dr. Taylor, of Wooster, represented us at the Ohio Synodical Meeting. As a result of these visits pledges were received for $1,550, besides many boxes of bedding, etc., for the Boarding Schools. There are now supported wholly, or in part, by the women of the Church 22 teachers and 18 schools, also four Summer schools were sustained by them.

During the year $7,966.83 has come in through the Treasurer of the Women's Executive Committee of Home Missions. Last year $3,010.58 were reported, showing an increase this year of $4,956.25, or $1,945.67 more than double. Last year seventeen Presbyterial Societies contributed, this year eighty have remembered the Freedmen. There has also been sent direct to the Treasurer of the Freedmen's Board $525.37, making a total of $8,492.37, from Women's Societies.

While we record with gratitude these results of the year's work, we are constrained to cry out, "Have pity upon us, O, ye, our friends, for the hand of God has touched us." The one to whom this success is so largely due is not here to hear the result of her labors. The large heart that was so full of sympathy for the lowly, the active brain that was ever planning for the advancement of the work, the eloquent lips and ready pen that secured the aid of others, are all stilled. The work has dropped from her

hands, and we sit astonished. "We are dumb, we open not our mouths, because He did it." On the 3d of March Mrs. Mary E. Allen entered the Mansion prepared for her, and is ever with the Lord. The Saviour's prayer for her is answered: "Father, I will that they also whom Thou has given me, be with me where I am; that they may behold my glory." Although prostrate, we have faith to believe the work will go on with increased power, for it is the Lord's. While no *one* can fill Mrs. Allen's place, we are glad to see *many* coming forward, ready to do what they can.

The women of the Church have been called upon to build the house for the Mary Allen Seminary as a memorial to her whose name it bears. Already we are receiving hearty responses, and we feel that she will have "a monument such as she would choose—one that shall stand through time and eternity in the uplifted Christian lives of the girls who shall be gathered there."

MRS. C. E. COULTER,
Corresponding Secretary.

PITTSBURGH, April, 1886.

DEATH OF MRS. MARY E. ALLEN.

A great calamity came upon the Board and the Church in the death of Mrs. Mary E. Allen, wife of the Corresponding Secretary, on March 3. The Board at its meeting, March 8, took the following action:

The members of the Board of Freedmen take this, their first opportunity, since hearing of the death of Mrs. Mary E. Allen, the wife of our Secretary, of expressing and recording their unfeigned sympathy for him in this, his great and irreparable loss. We also bear united testimony to the unusual efficiency of Mrs. Allen as a co-laborer with her husband in the great work among the Freedmen, to which he has been called, and to which she also, with heart and soul, had voluntarily devoted the best energies of her life. With an accurate knowledge of the present condition of the Negroes of the South;—with a just conception of their needs;—with a heart full of sympathy for them in their destitution; and with a rare ability to set forth their claims before the benevolently inclined, she became at once an invaluable aid to the Board in the way of rallying to our cause the sympathies, the prayers and the contributions of the many ladies in connection with our churches throughout the

North, who had hitherto taken no interest in the work. What she was doing so assiduously and so well, when called to her reward, was a work that had not been done before;—a work for which no one could have been better fitted;—a work for the prosecution of which it will be impossible to find any one who can well fill her place. The loss to us as a Board, from a human standpoint, just at this juncture of affairs, seems little less than a measureless calamity. Only our confidence in the Great Head of the Church, who doeth all things well, enables us to bow humbly and resignedly to a Providence so mysterious and so dark.

Our full persuasion is that the beloved wife of our Secretary now rests from her labors. Her works will indeed follow her, and her memory and influence live and be felt among these lowly ones, until the last of them that now sit in darkness shall be brought out into the marvelous light and liberty of the Gospel of Christ.

Mrs. Allen was one of the best organizers in this country of women's work for Foreign and Home Missions and for the Freedmen, and was also one of the most popular and effective speakers in the meetings of the ladies, while she wrote with great clearness and vigor. In the different pastorates of the Secretary his wife entered most heartily into his labors and was a most invaluable assistant. After he accepted his present position, she at once began to form plans in aid of the work, and in their execution she made long journeys in the South and throughout the North. Multitudes of colored women and children wept when they learned of her death; and the thousands connected with the Women's Societies in the North who have listened to her with rapt attention deeply regret that they will neither see her face nor hear her voice again. In recognition of the value of her labors, the Board of Missions for Freedmen has determined to give the new female seminary established this year in Texas, of which she was indeed the real founder, the name of Mary Allen. This will be an enduring monument to one admired and loved while living, and even whose death has been the means of awakening a deeper and more active interest among the women of the Church in behalf of the great cause to which she had dedicated her life. As a small recognition of the services of Mrs. Allen, for which she never received any remuneration, the Board paid $300.00 towards her funeral expenses.

LOCATION AND DESIGN IN THE ESTABLISHMENT OF THE INSTITUTION.

The University is located at Charlotte, N. C., and receives its name in memory of the late Major Henry J. Biddle, of Philadelphia, whose widow, Mrs. Mary D. Biddle, has been one of the first and most liberal supporters. It is chartered by the Legislature of the State, and under the auspices of the *Presbyterian Board of Missions for Freedmen.*

The *object* of the institution is the education of colored teachers and preachers.

It stands at the terminus of six railroads, in the midst of a dense and comparatively intelligent colored population, occupying a commanding site of 24 acres in the suburbs of the city in the midst of a beautiful grove.

It is situated in the very heart of the Synod of Atlantic, which embraces the whole South Atlantic States, and within whose bounds there are a large number of churches, schools, and academies under our care. These schools and churches must be furnished with intelligent Christian teachers, who must be largely educated on the field and in contact with the people among whom they are to labor. Such a training is less expensive than if had

elsewhere; it gives the student the best opportunities for a liberal education, and affords him the refining influence of a Christian home, keeping him at the same time in contact and sympathy with his people.

UNIVERSITY BUILDINGS.

These comprise the homes of the President and of the three Senior Professors, a large boarding home, and the new University building. This structure cost $40,000, and is 98x67 feet, three stories high, with an annex for chapel 66x45 feet. The whole is of substantial brick, of pleasing appearance, furnishing twelve recitation rooms, each 34x24 feet, two society halls, an audience chamber capable of seating 600, and roomy and well ventilated halls, with an abundance of light throughout.

COURSE OF STUDY.

Besides a *Preparatory* English Course of two grades, Higher and Lower, and an *English Normal Department* covering a four years' course, it has also a *Classical Department* requiring the same time, and a *Theological Department* requiring a three years' course.

Of the 138 students reported for the past year, 101 are professors of religion, 58 studying for the Gospel ministry, and 11 serve as catechists; 77 have taught part of the year, enrolling 4,370 pupils; and 41 of these, while teaching, have superintended Sabbath schools, enrolling 1,890.

BOARDING DEPARTMENT.

A *Boarding House*, modeled on the idea of a Christian home, has been established for the accomodation of students from abroad.

This is under the care of Prof. D. J. Satterfield and his efficient wife. *Students are required to board in the Department unless excused by the Faculty.*

The building used for this purpose is the old college edifice, which has been thoroughly renovated and enlarged, and is newly furnished throughout. It contains rooms for 70 students, and ample dining room, laundry and kitchen accommodations for 150. This building receives its name, "LOGAN HALL," in honor of Rev. S. C. Logan, D. D., the first Secretary of the *Board of Missions for Freedmen.*

WANTS OF THE INSTITUTION.

1st. "Permanent Endowment Funds for the adequate support of the Professors, is an *imperative necessity.*" Five thousand dollars have been secured for the endowment of the President's chair.

2d. *Scholarships.* The establishment of $100 scholarships to enable needy and promising students in the higher departments to pursue their studies, *continuously*, through the College Year. In addition to this, a few hundred dollars to be placed in the hands of the Faculty, to be used at its discretion, in aiding needy and worthy students, is a great *desideratum.*

3d. Donations of clothing, for distribution among needy students, are earnestly solicited.

4th. Useful *books* for the library are much needed. Works of reference, biography, history and science are particularly desired. A *Library Fund* is much needed, that there may be purchases made from time to time of new and valuable books. For a "working" library, such a fund in the hands of the Librarians, is an *imperative want.*

Scotia Seminary is located at Concord, Cabarrus County, N. C. Its design, as expressed in its charter, it is "to educate colored girls in religion, and in the arts and sciences usually taught in seminaries of a high order; and in those domestic duties which belong to the highest type of wife, mother and teacher." In it "Religion

is first. The Bible and Catechism are constantly taught, both week days and Sabbaths; while at the same time the pupils are thoroughly trained in all the arts and sciences usually taught in seminaries of a high order, and in all kinds of domestic duties."

The Seminary now reports 213 pupils, of whom 179 are professors of religion; 18 have taught part of the year.

Concord, North Carolina, is a point on the route from New York through Richmond to Columbia, S. C., and Atlanta, Ga., and is easily accessible from all parts of the South. The location is healthful.

BUILDINGS.

These consist of a large brick building, in the form of a T, three stories above the basement, together with the old seminary building, the home, the library and storeroom, which are small but useful buildings. The entire property of the Seminary, including the grounds and about $1,500 Endowment Fund, is estimated at $26,000.

WANTS.

1st.—*Scholarships* at $45 each, and partial scholarships. The demand for these is constantly increasing with the increase of the number of pupils. As a rule, orphans and pupils from large families must be aided or an education must be denied to some of the most promising and enterprising of their race. Tuition is free, and $45 will furnish boarding, fuel and light for one pupil for the entire term (year) of eight months. "Patrons," says the superintendent, "have been a double blessing to their wards by their correspondence. Some of the most promising girls have been thus led to the Saviour." 2d.—*Clothing.*—Boxes of good second-hand wearing apparel are always in demand, to be worn as sent, or cut and fitted by the pupils themselves. Also remnants of calico, muslin, and flannel, &c., for the Sewing Department. 3d.—*Endowment.*—This institution should be permanently endowed. At present it has but $1,500 for this purpose. Would not the completion, furnishing and endowing of this institution—established for the special purpose of lifting the daughters of this lowly people to their proper place and influence among their own race, by means of a good Christian education—be an appropriate undertaking for the ladies of our Church, to be accomplished both by individual gifts and organized effort.

MISS LUCY A. MIDDLETON,
} *Teachers.*

This institution is located in Charleston, South Carolina. It reports, as enrolled during the past year, 667 pupils. Paid by pupils for tuition, $504.10.

GROUND AND BUILDINGS.

The ground upon which the Academy stands is a city lot, about 60 feet wide by about 200 feet long, extending entirely through from Meeting Street to Nassau Street. The main building fronts on Meeting Street, one of the principal thoroughfares of the city, and is 70 feet in length by 40 in breadth, with a porch in front, and an addition in the rear for a recitation room. The upper part is used for church purposes; the first floor, divided into four rooms, is occupied by the school. On the other end of the lot, fronting on Nassau Street, is the Teachers' Home, a house of moderate size, but conveniently arranged for its purpose. These buildings are comparatively new, and were erected at a cost of about thirteen thousand dollars, of which about seven thousand eight hundred was paid by the Freedmen's Bureau. There is no debt upon the property.

DESIGN.

Under the present supervision, the design is to render this a thoroughly Christian school. Not only are the Scriptures read and its practical precepts explained and enforced, in connection with the morning worship of the whole school, but a portion of the Catechism is memorized as one of the daily exercises. This is selected, not for any mere sectarian purpose, but to the end that their youthful minds and hearts may be early impressed with the great doctrines of the Gospel. It is also intended to secure the most thorough mental culture possible.

WANTS.

In order to make this school more efficient, apparatus, maps, charts, globes, and the means of illustrating the more common facts and principles of natural science, would be of great advantage.

LOCATION AND FIELD.

Brainerd Institute, numbering 472 pupils, is located in Chester, an important and growing railroad centre in upper South Carolina, a town of about two thousand inhabitants, the whole county embracing twenty-five thousand, of whom sixteen thousand are colored. In this and in three adjacent counties—York, Lancaster and Union—their numbers reach nearly forty thousand, and this is the only school within these boundaries above the grade of primary. Around the Institute are clustered the nine churches that have constituted Brainerd Mission, and on every hand public and Sabbath schools, instructed by Brainerd scholars.

DEPARTMENTS OF THE INSTITUTE.

Since the public school authorities of Chester united with the Board in sustaining some branches of the work, the Institute has been reorganized, and a graded course of study adopted in three departments—Primary, Grammar and High School—all so arranged as to give a very thorough, symmetrical, and complete English and scientific education. Scholars from the mission churches and surrounding country, as well as those from the town, enjoy the advantages of this graded course. Liberal provision has been made of the various appliances so essential to successful study, such as blackboards, maps, charts, and material and apparatus for illustration in the natural sciences.

NORMAL DEPARTMENT.

This department of the Institute, continued in different forms now for a number of years, which has supplied this region of country with day and Sabbath school teachers, and done much to raise the standard of education in the county, will be continued with still better facilities, and receive greater attention in the years to come. The prosperity of the people—material, social, moral and religious—is so largely an outgrowth of what the public school teachers *are* and *do*, we can scarcely give too great prominence to this branch of our work.

INDUSTRIAL AND AGRICULTURAL DEPARTMENT.

The design of this is to enable students to aid themselves in obtaining an education; to develop the strength and hardihood that come from self-help; to maintain and promote habits of industry; to counteract the danger of sickness and disease so often the result of sedentary occupation; to provide more wholesome living from orchard, farm, and garden; and to impart a practical acquaintance with improved systems of agriculture, now the all-important need of this Southern country.

As a beginning of the Industrial Department, one hundred acres of land have been obtained by the Institute, at a convenient distance from the town, with about thirty acres woodland, well situated for cultivation, improvement, and instruction. It needs but a small outlay, and the foundation is successfully laid for the practical education of multitudes of colored youths through generations to come.

For this small outlay, assistance is earnestly solicited from all interested in this branch of the work.

BUILDINGS AND GROUNDS.

The Institute buildings are beautifully situated, on nearly two acres of ground, not far from the centre of the town, and near the three railroad depots. These comprise the chapel, Institute building, and two cottages containing dining room and kitchen, with rooms for students, and a large two-story mansion, 50x80 feet, with extended piazzas, airy, well finished rooms, and ample accommodations for a large number of students. This building has attached to it about ten acres of ground, and is situated on a level plateau on the range of hills east of the town, two sides fronting on main streets.

In conclusion, it may be added that Bible study in the future, as in the past, will be interwoven with all the instruction of the Institute, and be given the chief place in the educational work.

This school reports 355 pupils enrolled, 150 professors of religion, and 27 studying for the Gospel ministry.

Fairfield Normal Institute has been in operation under its present administration for seventeen years. It has a convenient school building, a manse Boarding Hall, and two dormitories—Mulford Hall for the girls, and McClelland Hall for the boys.

One of its PRIME objects has been the education of *Christian teachers.*

The Shorter Catechism has been faithfully taught, and a daily, or at least a tri-weekly prayer meeting of the students has been observed, in connection with other religious training. The result has been that, with few exceptions, those who have gone out to teach have been professors of religion.

The number who have taught in common schools is over 400. They have taught in Virginia, North Carolina, South Carolina, Georgia, Florida and Arkansas, and have taught over 15,000 persons, and of all ages.

Thirty-seven of its students are in the ministry; one a missionary to Africa, and others are preparing to go.

The facilities for accommodating pupils are continually improving. Three hundred and fifty-five were enrolled during the past year.

Twenty-five dollars, with what they can do for themselves, would help many a worthy and needy student through the year.

Around the Institute are gathered the five flourishing churches connected with the mission.

MARY ALLEN SEMINARY,

CROCKETT, TEXAS.

REV. JOHN B. SMITH, *Principal.*
MRS. J. B. SMITH,
MISS MARGARET BOLLES, } *Teachers.*

This is a new boarding school for colored girls, opened in January last, at Crockett, Houston County, Texas, which is located in what is known as the "Black Belt" of Texas.

In the State of Texas there are 196,380 Negro women, of whom 140,285 are illiterate. Moved by the deplorable condition of so vast a number of ignorant and helpless women, and also by the evident promise of this great and progressive State, and the importance of Christianizing its rapidly increasing Negro population, and believing that the Christian education of Negro girls, by means of such a school, goes to the very heart of the Negro problem, the Board has founded this Seminary. It is our only enterprise in this great State.

The rented house in which the Seminary was opened has already proved too small to accommodate the pupils, and a building should be erected at once. The citizens of the town have donated a beautiful plot of twelve acres of ground for a building site. The building of this house has been especially commended to the women's societies and Sabbath schools of the Church. There is urgent need that it be put up this Summer.

The Seminary is on the Mt. Holyoke plan, and the girls taught practical housekeeping—cooking, dress making, millinery, and other useful arts.

NEEDS.

1. Contributions to the building fund in large or small amounts. The names of all societies, Sabbath schools, Sabbath school classes, and individuals, contributing to this fund, will be enrolled and preserved in the Library of the Seminary.

2. Scholarships, $45 per year, which pays the expenses of a girl, including board, washing, lights and fuel for a year.

3. Furnishing fund.—$40 will furnish a room.

4. Bedding, girls' clothes, remnants of calico, muslin, needles, thread, etc., for sewing classes.

5. Charts, maps, globes, and books and papers for Library.

STATISTICS FROM THESE.

The six institutions just referred to have each sent up statements for the past year, which combined give the following:

Whole number of students enrolled,	1,866
Number of these professors of religion,	503
Number of these in the Presbyterian Church,	323
Whole number studying for the Gospel ministry,	97
Number of these that are Presbyterians,	73
Number who have acted as catechists,	13
Taught school part of the year,	154
Whole number of months taught by all, this year,	406
Whole number of pupils in all their schools, about,	8,167
Amount of pay received, in cash and board, by all, about,	$8,000
Number who superintended Sabbath schools while teaching,	66
Whole number of scholars in these Sabbath schools,	3,540

In considering the figures of these tables, it should be remembered that those pertaining to students for the Gospel ministry, catechists, and superintendents of Sabbath schools, came from but four of the six institutions named, as Scotia Seminary and Mary Allen Seminary are for girls only.

The term of service of the following members of the Board expires with the present Asssembly:

REV. E. E. SWIFT, D. D. REV. JAS. ALLISON, D. D.
REV. B. B. WARFIELD, D. D. JAS. B. LYON, ESQ.
ROBERT C. TOTTEN, ESQ.

Respectfully submitted on behalf of the Board.

R. H. ALLEN,
Corresponding Secretary.

Action of the Assembly.

Rev. H. O. GIBBONS, D. D., presented the Report of the Standing Committee on Freedmen, and submitted the following resolutions, which were unanimously passed:

1. That the Board be commended for its faithful discharge of duty; that the minutes of the last year be approved; and that the Board be encouraged to continue its work upon the present plan of operation.

2. That this Assembly record its high appreciation of the work of the late Mrs. Mary E. Allen, beloved wife of our Secretary, in behalf of this Board; and extend to him in his great sorrow most loving sympathy.

3. That we commend to all our churches the Women's Department for Freedmen, under the Women's Executive Committee of Home Missions.

4. That all pastors be urged to instruct their congregations in the work among the Freedmen, and appeal to them for offerings to this cause.

5. That the Board be urged to persevere in its efforts to secure the coöperation of the trustees of Lincoln University in our common work in behalf of colored men.

6. That E. E. SWIFT, D. D.; JAMES ALLISON, D. D.; B. B. WARFIELD, D. D.; JAMES B. LYON, Esq.; and ROBERT C. TOTTEN, Esq., whose terms of service expire with this Assembly, be reëlected for the term of three years.
